

DEALER BULLETIN

June 4, 2010

BULLETIN NO.: 400/200S-210

TO: ALL ANDERSEN® SALES PERSONNEL, DISTRIBUTORS, & DEALERS

SUBJECT: Andersen® 200 Series Tilt-Wash and Gliding Window Hardware Finishes

EFFECTIVE: June 01, 2010

Overview:

Andersen is pleased to announce new hardware finishes for the 200 Series tilt-wash and gliding window products. Andersen will now offer six additional hardware finishes to the standard white and stone lock and keeper. The additional finishes can be ordered through Intelligent Quote (iQ) software version 10.1. In the table below you will find the additional finishes, part number, and the List Price.
