

DEALER BULLETIN

May 25, 2010

BULLETIN NO.: PD-110
TO: ALL ANDERSEN SALES PERSONEL, DISTRIBUTORS & DEALERS
SUBJECT: ALBANY HINGE TRIM SETS
EFFECTIVE: MAY 24, 2010
AUTHOR: ROB GAROFALO, PATIO DOOR MARKETING MANAGER

We have discovered that there is the potential for interference between an insect screen door (hinged or gliding) and the **Albany hinged patio door** trim sets on Andersen® A-Series, 400 Series and 200 Series hinged inswing and outswing doors. Therefore, we will suspend the sale of the **Albany hinged** hardware until we resolve this issue, we expect to have a modification implemented within 6-8 weeks. The Albany gliding hardware is not affected by this issue.

Thank you for your understanding as we resolve this issue.
